FIRM HISTORY

Established in 1985 as Fontanese Folts Aubrecht Ernst Architects, P. C., the firm has origins to 1961 when Mr. Fontanese began his architectural practice. Our firm specializes in developing efficient designs to match specific client needs. Full professional services are given to a range of projects from large facilities to small renovations.

Considered for our Code-compliancy expertise, we serve across the state within elected Code Review Committees; and continue to work with state and Building Inspectors in providing Code interpretations.

The goal of our organization is to provide architectural services that meet the client's requirements architecturally, financially, and per schedule. Projects are directed from the inception of the concept to the completion of construction from the firms office in Orchard Park, New York.
